CARSON CITY SCHOOL DISTRICT**

**POLICY No. 703  
PROPERTY**

**PROPERTY MAINTENANCE**

The Board of School Trustees directs the establishment of a program of continuous maintenance, repair, reconditioning and remodeling of all school facilities and equipment.

The District maintenance program shall also be designed to safeguard school property against loss, damage and undue depreciation and to recover and restore to usefulness any school property which may have been lost, stolen or damaged.

The Director of Operation Services shall be responsible for the District program of property maintenance.
